

# 8443B SUPPLEMENTAL RESTRAINT SYSTEM LOAD TOOL JUMPER & ADAPTER APPLICATION CHART

| RESTRAINT TOOL PART NUMBER | RESTRAINT   | APPLICATION/VEHICLE PLATFORM                                      | APPLICATION COMMENTS  |
|----------------------------|---|---|---|
| 8443B                      | Use the 8443B connector on the tool, refer to Diagnostics manual. | 2001 RS   | 4 way connector under front seat for seat belt pre-tensioner    |
| 8443-1                     | (2) 2-pin jumpers   | 2001 RS, JR,  | Dual Squib Driver Airbag Squib or front seat belt pre-tensioner |
| ◇ 8443-2                   | 4-way jumper  | 2001 RS, AN, AN84, AB, DN   | Dual Squib Clockspring. Superseded by -19 on 12/31/05.          |
| 8443-3                     | (2) 2-way jumpers   | 2001 WJ   | Side Airbag   |
| 8443-4                     | (2) 2-way jumpers   | 2001 DN, AN84,  | Seat Belt Tensioner   |
| 8443-5                     | (2) 2-way jumpers   | 2001 PT, AB   | Seat Belt Tensioner   |
| ◇ 8443-6                   | 2-way and 5-way jumpers   | 2001 JR27, JR41   | Dual Squib Clockspring  |
| ◇ 8443-7                   | (2) 2-pin jumpers   | 2001 ST22 Sebring and Stratus 2-door coupe                        | Driver Airbag and Passenger Airbag                              |
| 8443-8                     | General Purpose 2-way jumper                                      | 2002 WJ, RS, PT, KJ 2012+ PF                                      | Squib   |
| ◇ 8443-9                   | 4-way jumper  | 2002 WJ   | Passenger Airbag  |
| 8443-10                    | 2 (2-way) jumper  | 2002-3 WJ   | Side Airbag   |
| 8443-11                    | 8-way clockspring jumper  | 2003 ZB   | Dual Squib Clockspring  |
| ◇ 8443-12                  | 2 (2-way)clockspring jumper                                       | 2003 VA, 2004 ZH29  | Driver Squib and Clockspring Squib                              |
| 8443-13                    | 14-way clockspring jumper   | 2005 LX   | Clockspring and Dual Squib                                      |
| 8443-14                    | 4-way jumper  | 2005 WK   | Dual Squib and Passenger Airbag                                 |
| ◇ 8443-17                  | 7-way jumper, 2 pins populated                                    | 1995 - 2004 PL  | Clockspring Jumper  |
| 8443-19                    | 4-way jumper  | 2006 PT 2007 PM 2001 RS, AN, AN84, AB, DN                         | Dual squib Clockspring and Steering Control Module              |
| 8443-20                    | 4-way Adapter, 2 pins populated                                   | 2007+ KA  | Seat Belt Pre-tensioner   |
| ◇ 8443-21                  | 23-way Adapter JR, AB, PT, KJ, LX, DR                             | 2001 AN, AN84, DN, RS, opening shorting clips.                    | 23-Way Module adapter for                                       |
| ◇ 8443-22                  | 8-way Adapter   | 2001 RS   | 8-Way Module adapter for opening shorting clips.                |
| ◇ 8443-23                  | 7-way Adapter   | 2001 RS   | 7-Way Module adapter for opening shorting clips.                |
| 8443-24                    | 32-way Adapter  | 2002 WJ, MY2005 RS  | ORC/ACM Harness Adapter   |
| 8443-25                    | 56-way Adapter  | 2004 HB, KJ   | ORC/ACM Harness Adapter   |
| ◇ 8443-26                  | 30-way Adapter  | 2003 VA   | ORC/ACM Harness Adapter   |
| 8443-27                    | 50-way Adapter  | 2004 ZH   | ORC/ACM Harness Adapter   |
| 8443-28                    | 96-way Adapter  | 2008+ RT, 2008 VB   | ORC/ACM Harness Adapter   |
| ◇ 8443-29                  | 22-way Adapter  | Supersedes 8310-10A, MY96+ TJ, MY96-01 XJ, MY97-98 ZJ, MY97-00 SR | ORC/ACM Harness Adapter   |
| 8443-32-L                  | 32-way Adapter  | 2007 JK, KA, KK   | ORC/ACM Harness Adapter Left Hand Cam Lock                      |
| 8443-32-R                  | 32-way Adapter  | 2007 JK, KA, KK   | ORC/ACM Harness Adapter Right Hand Cam Lock                     |
| ◇ 8443-33                  | 84-way Adapter  | 2007 ZH, 2008 ZH  | ORC/ACM Harness Adapter   |
| 8443-51                    | 14-way Jumper, 2 pins populated                                   | 2008 + JC, RT and VB  | Clockspring Squib Circuit                                       |
| 8443-52                    | 4-way Jumper, 2 pins populated                                    | 2008 + RT   | Seat track Pre-tensioner Harness                                |
| ◇ 8443-53                  | 6-way Jumper, 4 pins populated                                    | 2007 ZH, 2008 ZH  | Clockspring Squib Circuits                                      |
| ◇ 8443-54                  | 14-way Jumper   | 2011+ WK, WD  | Clockspring Squib Circuits 1 and 2                              |
| 8443-55                    | 111-way Adapter   | 2011+ LX, LD  | ORC/ACM Harness Adapter   |
| ◇ 8443-56                  | 4-way Jumper  | 2012+ FF  | Clockspring Squib Circuits                                      |
| 8443-57                    | 84-way Adapter  | 2012+ PF  | ORC/ACM Harness Adapter   |
| 8443-58                    | 6-way Clockspring Jumper  | 2011+ WK, WD 2013+ PF   | Clockspring Squib Circuits 1, 2 and 3                           |
| 8443-59                    | 6-way Jumper  | 2013+ PF  | Passenger Airbag Squib Circuits Jumper                          |
